Get your rent on time, every time

Our Rent on Time service removes the rental risk of investing in property and guarantees your rent on time, even if the tenant fails to pay.

For landlords who want their rental income guaranteed on time, every time:

Many landlords tell us that collecting rent and dealing with rent arrears can be very stressful. The worry can increase if tenants continue with late or non-payment of rent. Knowing what to do next with regards to eviction and legal assistance can be daunting and complex.

Our Rent on Time service removes the worry from renting property and gives landlords complete peace of mind by safeguarding their income.

As our client, your rent will be paid in full on the monthly due date regardless of whether your tenant pays or not! Rent on Time is available for new and existing tenants.

Rent on Time allows you to plan your life effectively by guaranteeing your cashflow.
